Daily Basics

Before Care: Held in our Media Center. Parents enter through the gate next to the front doors. Students must be signed in by an adult.

After Care: Students will dismiss 5 minutes before regular dismissal and report to the cafeteria for check in and snack. Students will then start their rotations through our zones.

Student Pickup: All students must be signed out and picked up by someone listed on their registration form. A photo ID will be asked for daily. Students may not ride their bikes or walk home from extended day.

Late pick up: There is a charge of \$1.00/minute for any late pick up. After 3 late pick up offenses your child will no longer be enrolled in the program. Please be considerate as our team members have families and responsibilities also. Please be sure to have back up numbers listed. You will receive a late pick up slip that day and the fee must be paid within 5 days.

Transportation Changes: You must contact the extended day office ASAP 904-547-4150. Do not leave a message. If the coordinator doesn't answer, call the front office. Students will not be allowed to call to make transportation changes during the school day or at dismissal. Students can't have friends stay in extended day if their friends aren't registered for extended day.
