Walkthrough review from December 5th, 2017

SAC members visited a Music, 3rd, and 4th grade, STEAM, Kindergarten

Feedback included excellent level of engagement, student centered, high vocabulary, students comfortable at making mistakes, tailored instruction, use of resources the school made purchases on. Positive and warm classroom environments. Classrooms are far beyond average and ordinary.

Funds Request

The computer teacher made a request for funds via email and the request passed via email. The request was to cover FETC registration. The teacher will report to SAC what she learned.

Principal Report

Spending time in primary classrooms. Walk-throughs and visits in a few upper level classrooms. Very impressed with kids asking questions, teacher prompting, level of engagement is high. Relationships with teachers are impressive.

Interactive panels are being installed in 4th and 5th grade classrooms. OPE will continue this progression down to the primary grades.

Next week is Literacy Week. DEER – Stop, Drop and Read on Friday

Tiffany clarified questions regarding teachers staying or leaving for KK or other schools. If a teacher accepts a job at KK and a position becomes available at OPE, the teacher CAN accept the OPE job.

Teachers will NOT interview for OPE. They will interview for KK.

Parent Question: When will we know what resources we will lose next year. Tiffany said OPE is allocated the following resources: PE, media, art and music and the administrative team is working on creative ideas for resources

Good of the group

Tiffany: We are celebrating Teacher of the year and Rookie Teacher of the Year next week.

Next SAC meeting is February 15th, 2018

Motion to adjourn: Beckham

Seconded: Policastro
