Computer Operator/Registration/Records

About Me

I have been with OPE since it opened its doors in 1996 as a classroom volunteer. I became the library paraprofessional in 1997, and in 2012 I began serving as the computer operator. I enjoy welcoming new families to our fabulous school.

OPE is my daytime family. When I am not at OPE, I love spending time with my two amazing grown children, wonderful family, caring friends, and relaxing on the beach.

Anyone who does anything to help a child in his life is a hero to me.
