

HAPPY HOLIDAYS

355 Landrum Lane, Ponte Vedra Beach, FL 32082 Palms Post Issue 6 December 2023

Dear Otter Families,

We hope this Palms Post finds you well and filled with joy that your kindness is bringing to our community! As the holiday season unfolds, we are profoundly grateful for the incredible generosity you have shown by donating toys and grocery gift cards to our OPE families. Your thoughtful contributions have illuminated the lives of many, and will bring warmth and joy this holiday season. Your selflessness and commitment to making a positive impact in the lives of others truly embody the spirit of our motto **Everyday - Everyone - Everything Matters!** On behalf of all the families who benefit from your kindness, we extend our deepest gratitude. Your support has not only met practical needs but also kindled a spirit of hope and unity that will resonate long after the holiday season has passed.

We would like to congratulate Arjun Shah again and wish him Good Luck as he represents OPE at the district Spelling Bee competition on December 13th. We also want to give our Girls on the Run Team a huge Shout Out for representing Otter Pride at Saturday's race at UNF. We are very proud of you ladies! Last but not least, congratulations to Clara Henderson who earned an art scholarship for free art classes. This wonderful opportunity was provided by our amazing new partner, Children's Art Classes!

Wishing you a joyous holiday season filled with love, warmth, and the same generosity you have shared with us.

Sincerely,

Mrs. Tiffany Cantwell, Mrs. Lucie Cantrell, and Ms. Gracie Beish

SJCS D ILLNESS GUIDELINES

Deciding when to keep your child home from school can be difficult. When a child is sick and needs to stay at home, parents should contact the school and describe the illness and symptoms. If a medical provider makes a specific diagnosis (such as strep throat, conjunctivitis, chicken pox, etc.), let school staff know.

There are several reasons to keep (exclude) sick children from school:

1. The child does not feel well enough to participate comfortably in usual activities, such as with extreme signs of tiredness or fatigue, unexplained irritability, or persistent crying.
2. The child requires more care than the school staff is able to provide without affecting the health and safety of the other children.
3. The illness is on the list of symptoms or illness for which exclusion is recommended.
4. The child is not vaccinated due to medical or religious reasons and there is an outbreak in the school.

The following list gives guidelines and recommendations for exclusion from school due to illness. Children with minor illness need not be excluded unless one or more of the following exists.

ILLNESS OR SYMPTOMS	EXCLUSION IS NECESSARY
Chicken Pox	YES – Until blisters have dried and crusted (usually 6 days)
Conjunctivitis (pink eye) (pink or red eyes with thick mucus or pus draining from the eye)	YES – May return 24 hours after treatment begins. If your health provider decides not to treat your child, a note is needed.
Coughing (severe, uncontrolled coughing or wheezing, rapid or difficulty in breathing)	YES – Medical attention may be necessary. Note: Children with asthma may be cared for in school with a written health care plan and authorization for medication/treatment.
Coxsackie Virus (Hand, Foot and Mouth Disease)	NO – May attend if able to participate in school activities, unless the child has mouth sores and is drooling.
Diarrhea (frequent, loose or watery stools not caused by diet or medication)	YES – If child looks or acts ill; diarrhea with vomiting; diarrhea that is not contained in the toilet.
Fever with behavior changes or illness	YES – When fever is 100.4° or greater and is accompanied by behavior changes or other symptoms of illness, such as fatigue, rash, sore throat, upper respiratory symptoms, vomiting, diarrhea, etc. Must remain at home for at least 24 hours or until all symptoms subside medication free.
Fifth Disease	NO – Child is no longer contagious once rash illness appears.
Head Lice	YES – May return after treatment and removal of all live lice and nits from hair.
Hepatitis A	YES – Until 1 week after onset of illness or jaundice and when able to participate in school activities.

ILLNESS OR SYMPTOMS	EXCLUSION IS NECESSARY
Herpes	YES – If area is oozing and cannot be covered, e.g., mouth sores. Otherwise, may return to school.
Impetigo/Staph/MRSA	YES – May return 24 hours after treatment starts. Wound must be covered with dressing taped on all 4 sides.
Body Rash <u>with</u> Fever	YES – Seek medical advice. Any rash that spreads quickly, has open, weeping wounds and /or is not healing should be evaluated. May return to school when medical provider determines that illness is not communicable.
Mild Cold Symptoms (stuffy nose with clear drainage, sneezing, mild cough)	NO – May attend if well enough to participate in school activities.
Upper Respiratory Complications - large amount of thick nasal discharge - extreme sleepiness - ear pain - fever (100° or above orally)	YES – Seek medical advice. May return when symptoms are improved.
Ringworm	YES – May return after treatment begins. Area should be covered while in school for the first 48 hours of treatment.
Roseola	NO – Unless child cannot participate in usual activities and has fever.
Scabies	YES – May return after treatment is started with note from medical provider.
Strep Throat	YES – May return after 24 hours of antibiotic treatment and no fever for 24 hours
Vaccine Preventable Diseases (mumps, measles, whooping cough)	YES – Until judged not infectious by a medical provider. Report all cases to Health Services Coordinator.
Vomiting (2 or more episodes in the past 24 hours)	YES – Until vomiting resolves or health care provider determines that cause is not communicable. Note: Observe for other signs of illness and for dehydration.

When a student misses **2** days a month..

They will miss **20 DAYS** a year.

They will miss **30 HOURS** of math over the school year.

They will miss **60 HOURS** of reading & writing over the school year.

They will miss over **1 YEAR** of school by graduation.

When a student misses **4** days a month..

They will miss **40 DAYS** a year.

They will miss **60 HOURS** of math over the school year.

They will miss **120 HOURS** of reading & writing over the school year.

They will miss over **2 YEARS** of school by graduation.

ATTENDANCE POLICY AND NEW DIGITAL ABSENCE FORM

The importance of regular attendance cannot be over emphasized. However, the health and safety of our students and staff is our number one priority. Please do not send your child to school if they have a temperature over 100.4°F without having taken any fever- reducing medications.

When Absent

Our excused absence form is located on our school webpage (see image below).

A parent or guardian will submit their child's absence using the digital form within forty-eight (48) hours of returning to school stating the cause of the absence. After fifteen (15) days of absence, whether excused or unexcused, a student must present verification from a licensed doctor for all subsequent absences due to illness.

<https://surveys.stjohns.k12.fl.us/TakeSurvey.aspx?SurveyID=opesabsence#>

Excused absences include personal illness, illness of an immediate family member, death in the family, religious holidays of the student's established religious faith, required court or law agency appearances, school/district related competitions, and scheduled doctor or dentist appointment.

Unexcused absences include shopping trips, pleasure trips, suspension from school, appointments without prior approval except in case of emergency, truancy.

For the SJCS D to be in compliance with state statues and the Department of Education they must notify parents of their children's absences and state laws. The school district sends automated attendance communication to parents/guardians when a student is absent.

In addition, communication is also sent when a student has reached 5, 10, and or 15 absences, whether excused or unexcused. When a student reaches 15 total absences the district requires a doctor's note for additional absences to be excused.

For a complete list of excused and unexcused absences, students and parents should refer to the Student Code of Conduct or visit the district's website www.stjohns.k12.fl.us/student/attendance/

How Do I Get Approved to Access the School Building?

<https://stjohns.keepntrack.com/apply>

In an ongoing endeavor to provide safety and security for students and staff, school access is required for every individual that is not a staff member of the St. Johns County School District. Below are the steps every visitor must complete to access the building during school hours.

1. **Complete the School Access Form at <https://stjohns.keepntrack.com/apply>. Do not wait to complete your application because the process can potentially take up to two weeks to clear.**

The screenshot shows the 'SCHOOL ACCESS' page with the heading 'FILL OUT YOUR VOLUNTEER SCHOOL ACCESS FORM!'. It includes instructions about background checks and a 'Complete the School Access Form' button. To the right is a preview of the application form with fields for First Name, Middle Name, Last Name, Suffix, Date of Birth, Social Security Number, Gender, Volunteer Type, and a checkbox for 'Have you ever been convicted of a felony?'. The left sidebar contains the Ocean Palms Elementary logo and navigation links for HAC, Calendar, Payments, and a search bar.

2. Bring your ID when you check in at the front office.

- Proper identification must be presented each time a person signs in at a school. The only forms of proper identification are the following:
 - Current state issued driver's license
 - Current state issued identification card (issued only by the DMV)
- If a person has a visa and/or does not have a social security number, the applicant must contact the Volunteer Services department right away for alternate steps.
- School access lasts for 3 year intervals. Upon approaching 3 years of access, it is the responsibility of the applicant to contact Volunteer Services and renew the form. To reduce duplication, do not complete a new form.

THIRD GRADE PROGRESSION STATUTE & GOOD CAUSE EXEMPTIONS

The third grade progression statute is to ensure that students have the necessary reading skills to be successful in grade 4 and beyond, where the rigors of reading in the content areas increase. **According to section 1008.25(5), Florida Statutes (F.S.), to be promoted to fourth grade, a third-grade student must score a Level 2 or above on the statewide Florida Assessment of Student Thinking – English Language Arts (FAST-ELA).** The following plan describes several ways for students who do not meet this standard initially to be promoted to fourth grade.

If a student does not demonstrate proficiency on the statewide FAST- ELA Assessment during the third progress monitoring (PM3) test in May, they can attend the district provided Summer Reading Program to ensure they receive additional instruction.

There is also statutory language that prohibits the statewide FAST- ELA from being the sole determiner of promotion and states that additional evaluations, portfolio reviews and assessments are available to the child to assist parents and the school district in knowing when a child is reading at or above grade level and ready for grade promotion. **Grades (3-5) students are scheduled to take the Spring ELA Assessment in May.**

Good Cause Exemptions 1, 4, 5, 6 Students who earn a Level 1 on the FAST for PM3 and meet one of the Good Cause Exemptions outlined below must also attend the 2023 Summer Reading Program. A student only needs to meet the criteria for one of the 6 Good Cause Exemptions.

Good Cause Exemption #1: Limited English proficient students who have had less than two (2) years of instruction in an English for Speakers of Other Languages program based on the initial date of entry into a school in the United States.

Good Cause Exemption #2: Students with disabilities whose individual education plan indicates that participation in the statewide assessment program is not appropriate, consistent with requirements of s.1008.212, F.S.

Good Cause Exemption #3: Students who demonstrate an acceptable level of performance on an alternate standardized reading or English Language Arts assessment approved by the State Board of Education. Alternate Assessments: SAT-10, raw score 37 (45th percentile) or STAR Reading 986 scale score (50th percentile).

Good Cause Exemption #4: A student who demonstrates through a student portfolio that he or she is performing at least at Level 2 on the statewide, standardized English Language Arts assessment.

Good Cause Exemption #5: Students with disabilities who take the statewide, standardized English Language Arts assessment and who have an individual education plan or a Section 504 Plan that reflects that the student has received intensive remediation in reading or English Language Arts for more than two years but still demonstrates a deficiency and was previously retained in kindergarten, grades 1, 2 or 3.

Good Cause Exemption #6: Students who have received intensive reading intervention for two or more years but still demonstrate a deficiency in reading and who were previously retained in kindergarten, grade 1, grade 2, or grade 3 for a total of two years. A student may not be retained more than once in grade 3.
